UTILITY INSTALLATION AND STREET OCCUPATION PERMIT PROCESS

How do I get permission to work on Municipal Land? Whether it is in Parks, Roads, and Trails or on Boulevards?

STEP 1:

Download a Utility Installation and Street Occupation Permit from www.rmwb.ca under the Engineering Department or directly link to <http://www.rmwb.ca/Assets/00assets/living/licenses+and+permits/pdf/utility-install-permit.pdf> or pick one up at the Engineering Department front counter.

STEP 2:

Fill out all the applicable information on your permit.

STEP 3:

Have a map showing the location of work and if required, provide a Traffic Accommodation Plan designed by a trained individual and attach it to your Utility Installation Permit.

STEP 4:

Submit the permit to the Engineering Department front counter or send a PDF copy of the permit to engineering.permits@rmwb.ca. Payment is due and payable at the time of application, payments for permits are accepted at the following two locations: *(please bring proof of payment with application)*

STEP 5:

The Permit is reviewed internally.

STEP 6:

(APPROVED) The applicant will receive a phone call or email from the Engineering Department with comments. Applicant must then pick up the approved permit from the Engineering Department located at 9816 Hardin Street on the 3rd Floor, between the hours of 8:30am to 4:30pm, Monday to Friday, please note the Department is closed all Statutory Holidays.

STEP 6:

(REJECTED) The applicant will receive a phone call or email from the Engineering Department with recommendations/comments. If applicant addresses the recommendations/comments they may repeat Step 5.

STEP 7:

Applicant is approved to carry out work as per the approved permit. Construction must start within 30 days of the permit being issued or the permit will expire and a new permit will need to be obtained.

STEP 8:

(OPTIONAL) Extending a permit can be requested by repeating step 4.

NOTES:

1. A permit is required anytime you occupy or block access to municipal land.
2. You can get help understanding municipal forms by downloading the corresponding manual from the website.
3. If you leave spaces blank your permit may be rejected right away.
4. Even if your work is completely off the street you may require a Traffic Accommodation Plan. If no disturbance is anticipated a statement that "at no time will pedestrian or vehicular traffic be impacted" attached to the permit will suffice.
5. Payment locations:
 - (1) Jubilee Center
9909 Franklin Avenue
Fort McMurray, AB T9H 2K4
 - (2) Planning & Development
309 Powder Drive
Fort McMurray, AB T9K 0M3
6. Please note that up to 10 business days are required to process permit from the application date with completed package.
7. If more information or clarification is needed please contact the RMWB representative listed on the permit. Resolving minor issues over the phone or email may prevent a permit from being rejected.
8. If the scope or area of a permit changes a new permit must be applied for.
