Public Information Session # 5

September 8, 2016

Vista Ridge, Sapræe Creek / 6 - 8 p.m.

Public Participation: 70 residents

Internal Participation: RMWB, Wood Buffalo Recovery Task Force, Wood Buffalo Recovery Committee, Councillors

Partner Participation: Government of Alberta, Alberta Health Services, Red Cross

Summary from Residents:

- **Hazardous Tree Removal:** clarification of hazardous tree removal behind resident property lines; general inquiries about reforestation and landscaping
- **Rebuild:** general inquiries about the cost of permits; inquiries about whether the Municipality, Government of Alberta or another organization can subsidize the cost or donate trees for private properties

Summary from Internal Participants:

- Residents expressed their appreciation for the venue, enjoyed the focused presentation and enjoyed the healthy dialogue
- Residents expressed interest in having a PA system at future Information Sessions
- Some residents felt that the discussions on Sapræe Creek were productive; Municipality committed to further Information Sessions with residents of Sapræe Creek, including hazardous tree removal options

Next Sessions:

September 15, 2016

Shell Place at MacDonald Island Park // 4 - 8 p.m.

Topic: Permits and what's next
