

CONSTRUCTION NOTICE

- Christina Lake Drive will be closed from Northland Drive to the Train tracks for 2-3 weeks in late September to mid October for the installation of the Water and Sewer Mains.
- These branches of mains are the main pipes that service the residences along Conklin Drive and Poplar Drive so must be the first installed.
- Following the construction of the underground work, the road will be restored and reopened for winter travel.
- All traffic will be diverted to Father Mercredi Trail in the interim. Please drive with caution and obey all construction signs.
