

RWSS – Janvier Contract 1

The municipality is upgrading its roadways and water and sanitary systems as part of the rural water and sewer servicing (RWSS) project.

The scope of this project, QU 4183, includes water and sanitary system installation and paving of the roadways and intersections in the following areas:

- Nokohoo Road
- Deltess Drive
- Northland Drive
- Cardinal Crescent
- Lapouse Avenue
- Larocque Avenue
- Teed Avenue
- Janvier Drive
- Opportunity Way
- Herman Street
- Bohn Street
- McDonald Avenue
- Christina Drive
- Copper Street

During construction, roadways in the area will be affected. To accommodate traffic flow and emergency service access, temporary accesses will be constructed in the ditches of affected roadways.

More information will be provided by Pidherney's closer to construction in your area.

Work is expected to begin on or after **September 18, 2017**.

REGIONAL MUNICIPALITY
OF WOOD BUFFALO

Vehicle Access

Private and commercial vehicle access will be maintained at all times through traffic detours or local traffic only areas. Limited traffic delays should be expected, as a result of lane closures to ensure safety to public and the project.

Garbage Pick-Up

Residents and business owners should continue to put out their garbage on their regular schedule. Residents are encouraged to mark their garbage bins with their address. The contractor will assist in the proper marking of the garbage containers.

Water Delivery and Septic Tank Maintenance

Water will be delivered and septic tanks will be maintained on their regular schedules. The contractor will ensure that access to each residence for municipal services is maintained at all times.

If you have questions, please visit rmwb.ca/construction or contact the Construction Helpdesk at 780-793-1054 or constructionhelpdesk@rmwb.ca.
