

Tree removal near Poplar Crescent

Dear Resident,

As part of the Rural Water and Sewer Servicing (RWSS) project we'll be doing tree removal in Gregoire Lake Estates adjacent to Poplar Crescent and Highway 881.

These trees are on crown land and will tentatively be removed by February 15, 2017. Every effort will be made to reduce noise and disruption to residents.

RWSS construction in Gregoire Lake Estates will tentatively begin in May for the 2017 construction season. We're on track to begin service connections to the new system in 2019.

Updates are posted regularly at rmwb.ca/rwss and in community newsletters. For more information please call **780-793-1054** or email constructionhelpdesk@rmwb.ca.
