

Here for You

Public Information Session #55

July 5, 2017: 11 a.m. to 6 p.m.

Here for You: Urban Market

Public Participation: 54 Residents

Internal Participation: Wood Buffalo Recovery Task Force (RTF), Regional Municipality of Wood Buffalo Community Strategies

External Participation: Canadian Red Cross, St. Aidan's Society, NGO's Supporting Uninsured, Underinsured Recovery group (NSUUR)

Background:

- As part of the ongoing commitment by the RTF to engage and inform residents about the recovery and rebuild process, the task force will be present at all Urban Market events throughout the summer.
- There are a total of 11 Urban Markets, which run bi-weekly until September 20, 2017.

Feedback:

- The event was well-attended and residents appreciated the opportunity to share their feedback with the RTF Stakeholder Engagement team. This event also provided an opportunity for residents to apply for the summer camp subsidy that's being offered by the St. Aidan's Society.
- Residents asked questions regarding the restoration of the trails that were affected during the 2016 Horse River Wildfire.
 - Residents were told that all trails damaged or destroyed during the wildfire will be restored to their pre-fire condition.
- Some residents stressed the need for the Municipality to rebuild the playgrounds that were destroyed as soon as possible.
 - This work is being undertaken in the summer and fall of 2017.

Next Sessions:

Here for You: Holy Trinity High School

Wednesday, July 12: 6 to 8 p.m.

Topic: Firebreak Rehabilitation and Trail Restoration
