The Government Finance Officers Association (GFOA) of the United States and Canada established the Distinguished Budget Presentation Awards Program to encourage local governments to produce budget documents of the highest quality. In order to receive this award, a government must publish a budget document that meets established program criteria as a policy document, operations guide, financial plan and communications device.

The GFOA presented a Distinguished Budget Presentation Award to the Regional Municipality of Wood Buffalo, Alberta for its annual budget for the year beginning January 1, 2011. This award is valid for the period of one year only. We believe our current budget continues to conform to program requirements and we are submitting it to GFOA to determine its eligibility for another award.
