3. General Procedures

- 3.1. Organizations receive approval from Recreation and Culture for a level of credit equal to one (1) month's facilities rental billings.
- 3.2. Invoicing is prepared by Treasury Division monthly and due by the organization upon receipt.
- 3.3. Where payment is not received within a thirty (30) day period, a reminder statement is forwarded to the organization.
- 3.4. Failing payment, the Treasury Division will notify the organization by phone and follow-up in writing that booked facility time will be cancelled if payment is not made within twenty-four (24) hours. If payment is not made, Recreation and Culture is notified and access to facilities is refused.
- 3.5. Notwithstanding clause 03.04, if special circumstances of a nature which cause the delay of a payment, through no fault of the organization, the Chief Administrative Officer may extend the period of payment.
- 3.6. Organizations having action under clause 03.04 taken against them two (2) times in one (1) season will then require prepayments of rentals prior to each month's facility rentals. (No access would be allowed until this deposit is received.)
- 3.7. Failing payment of the deposits on a regular basis, the organization would then be required to place a "Performance Bond" with the City for an amount equal to their projected rental value for the season.
- 3.8. Where an organization demonstrates adherence to the policy after progressive action has been taken, they may be reverted back to the next level of credit.
- 3.9. Where no credit is extended to an organization or individual, payment for facility rentals must be received in advance of the rental.
