Heritage Resources Management Plan

What is a heritage plan? What heritage resources or heritage sites are here? How should we preserve them? Upcoming Engagements

You might notice that we'll be quieter than usual from September 15-October 19—but we promise it's only temporary! Every four years, we hit pause during the election campaigns for RMWB Council and School Board Trustees. During this time, we won't actively promote engagements. We like to think of it as something we can do to support the democratic process. In the meantime, you can find out everything you need to know about the October 18 elections at rmwb.ca/elections.

Thank you for taking the time to share your thoughts on how we can make Fort McMurray Wood Buffalo an even greater place to call home.
