Emergency Fire Response - Conklin Fire Department

The Conklin Fire Department is experiencing a significant shortage of members. Until additional members are recruited and trained, the Conklin Fire Department will not be responding to 911 calls.

Effective immediately, emergency fire response in Conklin is being provided by the Janvier, Anzac, and Fort McMurray Fire Departments.

Community help needed

The Conklin Fire Department is seeking dedicated, reliable individuals to join their team as Paid-on-Call Firefighters. The community's support is needed to ensure the department is revitalized and able to respond to the community in the near future.

Do you know someone who would make a good Paid-on-Call Firefighter? – Ask them to apply.
