Alberta Updates

Light updates were provided by Dr. Hinshaw via Twitter over the last 5 days. Data has now been updated but local statistics are not broken down for this period.

Dec 30	1226 new cases
Dec 31	1361 new cases
Jan 1	933 new cases
Jan 2	459 new cases
Jan 3	1128 new cases
Total:	5107 new (5 days)

RMWB Updates

Since December 29, the RMWB has seen **94 new cases** (including Jan 3), 2 are rural, and 92 in Fort McMurray.

Active cases have increased from 219 to 255 (RMWB), 214 to 248 (Fort McMurray), and 5 to 7 (Rural)

Vaccination Progress

As of January 3:

22,861 doses of vaccine have been administered in Alberta.

No adverse events following immunization have been reported to AHS.

Entertainment businesses and entities remain closed.

- All indoor and outdoor social gatherings – public and private – are prohibited.
- Individuals who live alone will be allowed up to two close contacts.
- Festivals, parades, events, concerts, exhibitions, competitions, sport and performance remain prohibited.
- The mandatory indoor public masking requirement will be extended provincially.
- All places of worship will be limited to 15 per cent of fire code occupancy for in-person attendance.
- Retail services must reduce customer capacity to 15 per cent of fire code occupancy, with a minimum of five customers permitted.
- Restaurants, pubs, bars, lounges and cafes will be closed to in-person service.
- Recreational facilities will be closed.
- Outdoor recreation is permitted.
- Entertainment businesses and entities will be closed.
- Hotels may remain open but must follow restrictions.
- Personal and wellness services will be closed.
- Mandatory work from home measures will be implemented unless the employer determines that work requires a physical presence for operational effectiveness.

COVID-19 UPDATE

The Province of Alberta has declared a [State of Local Public Health Emergency \(November 24, 2020\)](#)
Under the RMWB Bylaw and the Provincial Restrictions, [Masks are now mandatory in any indoor public space.](#)

Vaccine Updates – Updated December 23, 2020

Approved Vaccines: [Moderna Covid-19 Vaccine](#) (Dec. 23, 2020)
[Pfizer BioNTech](#) (Dec. 9, 2020)

Early Phase 1: December 2020: Immunizations will be offered to key populations, with a focus on acute care sites with the highest COVID-19 capacity concerns in Edmonton and Calgary:

- Health-care workers in intensive care units
- Respiratory therapists

Phase 1A: January 2021: Timeline subject to change depending on vaccine supply. Immunizations will be offered to key populations across the province:

- Respiratory therapists
- Health-care workers in intensive care units
- Staff in long term care and designated supportive living facilities
- Home care workers
- Health-care workers in emergency departments
- All residents of long-term care and designated supportive living, regardless of age

Phase 1B: February 2021: Timeline subject to change depending on vaccine supply. Immunizations will be offered to key populations:

- Seniors 75 years of age and over, no matter where they live
- First Nations, Métis and persons 65 years of age and over living in a First Nations community or Metis Settlement
- Health-care workers in medical, surgical, and COVID-19 units or operating rooms

Phase 2: April to Sept 2021 – continue targeting populations at risk. Work to identify sequencing for Phase 2 groups is underway. Decisions will be made in 2021.

Phase 3: Anticipated start of roll-out to the general public.

Alberta is receiving vaccine doses as they are [approved by Health Canada](#).

Vaccine is being distributed through a phased immunization program. Alberta Health goal is to immunize Albertans as safely and effectively as possible.

Exact amounts and timelines are subject to change. Alberta Health will amend approach as needed depending on vaccine supply

Any Core Symptoms

Albertans are Legally Required to Isolate for 10 days, or quarantine for 14 days if they are close contact of positive Covid-19 case, or if they travelled outside of Canada.

Core Symptoms include: Cough, Fever, Shortness of Breath, Runny Nose, Sore Throat

Loss of Income

If you experience a loss of income because you are required to isolate or care for someone in isolation, you may be eligible for financial support through the federal government.

Book your Covid-19 test [here](#).

When to Isolate

Isolate to avoid spreading illness.

- You tested positive for COVID-19.
- You are sick with fever, cough, shortness of breath, sore throat* or runny nose* and have not been tested.

**Children under 18 are exempt from mandatory isolation for runny nose or sore throat, but should stay home until well.*

If You Test Positive

Isolate for 10 days or until symptoms resolve, even from your household if possible.

Determine your close contacts [here](#). They will have to isolate for 14 days.

Enter your close contacts [here](#), a text message will be sent anonymously.
