

# COVID-19 UPDATE

State of Local Emergency (SOLE) declared in the RMWB.

On Monday, April 26, the Regional Municipality of Wood Buffalo declared a State of Local Emergency (SOLE) to help stop the continued spread of COVID-19 in the region, protect the local health care system and take action to address other local challenges and risks related to the on-going pandemic. The SOLE will remain in effect for 90-days or until terminated. At this time, no further public health measures have been made. Municipal information regarding the pandemic will continue to be updated and available at [rmwb.ca/covid19](http://rmwb.ca/covid19).

 Joly's Your Independent Grocer  
 Salvation Army Shelter  
 Centre of Hope  
 Birch Mountain Enterprises

**Report non-compliance to the public health orders [here](#) or call AHS Public Health Inspectors here 1-833-415-9179**

## Do your part, even after your vaccination:

Until most Albertans are protected, fully vaccinated people must continue following all [public health measures](#): no indoor social gatherings, keep 2 metres apart from others, wear a mask in public, wash your hands, and stay home when sick.

Once both doses take effect, you are less likely to become severely sick with COVID-19. But we don't yet know if the vaccine prevents vaccinated people from spreading the virus.

We must continue reviewing emerging evidence on asymptomatic and variant transmission before we can safely alter public health guidelines. Alberta Health will let Albertans know when rules for fully vaccinated people can be changed

## Second Dose:

Results show the first dose is at least 80% effective in preventing severe illness. The second dose ensures you're protected for as long as possible. The timing for getting your second dose depends on your health status. Most Albertans are eligible for your second dose of:

- Pfizer or Moderna no later than 4 months after the first dose
- No later than 4 months and no earlier than 12 weeks after the first dose.

## When to book:

- Bookings for second doses will begin when supply allows, after all Albertans 12 and over have been offered a first dose, likely in late June.
- Contact your pharmacy or AHS closer to your eligibility date to book your next appointment. Do not try booking in advance.

Today, Alberta.ca started publishing local vaccination rates [here](#).

## Local Vaccination Rates:

	Fort McMurray Wood Buffalo	
75+	65.7%	56.6%
60-74	62.6%	48.5%
40-59	52.5%	37.8%
20-39	31.4%	18.4%
12-19	36%	11%
All Ages	34.2%	24.2%

Thursday, May 13, Dr. Hinshaw announced a change to the face mask bylaw requirement.

Anyone with [qualifying health issues](#) will now be required to have an exemption letter from a Nurse Practitioner, Physician, or Psychologist.

## Variants in the AHS North Zone

B.1.1.7 (UK)	5045
B.1.351 (SA)	3
B.1617 (India)	0
