News

- Provincial Masking Requirement remains in effect, [RMWB Face Covering Bylaw](#) will be debated at the June 22nd Council Meeting
- **Did you know?**
- Alberta is currently the third lowest rate of first dose vaccinations in Canada. Canada as a whole is at 73.9%
- The US is at 52%
- UK is at 61.2%
- India is at 14.7%
- Mexico is at 20.6%

Open for Summer - Stage 2 - Click [here](#) for details

- Outdoor Social Gatherings up to 20 people.
- Indoor recreation and entertainment settings open at 1/3 fire code
- Gyms and fitness studio open with 3 metre distancing
- Funerals and Weddings up to 20 people
- Person and wellness services resume walk-in service
- Post-secondary resume in-person learning
- Restaurants - 6 people per table max, indoors or outdoors
- Retail - 1/3 of fire code capacity
- Work from home order lifted but still recommended

Stage 3 will begin 2 weeks after 70% of Albertans 12+ have received at least one dose.

At this stage, all restrictions will be lifted, including ban on indoor social gatherings. Isolation requirements for confirmed cases and some protective measures in continuing care situations remain.

B.1.617 (India)/Delta 2	713
P.1 (Brazil)	713
Total:	6729

AHS NZ Recovered:	6281
AHS NZ Deceased:	29
AHZ NZ Active:	419

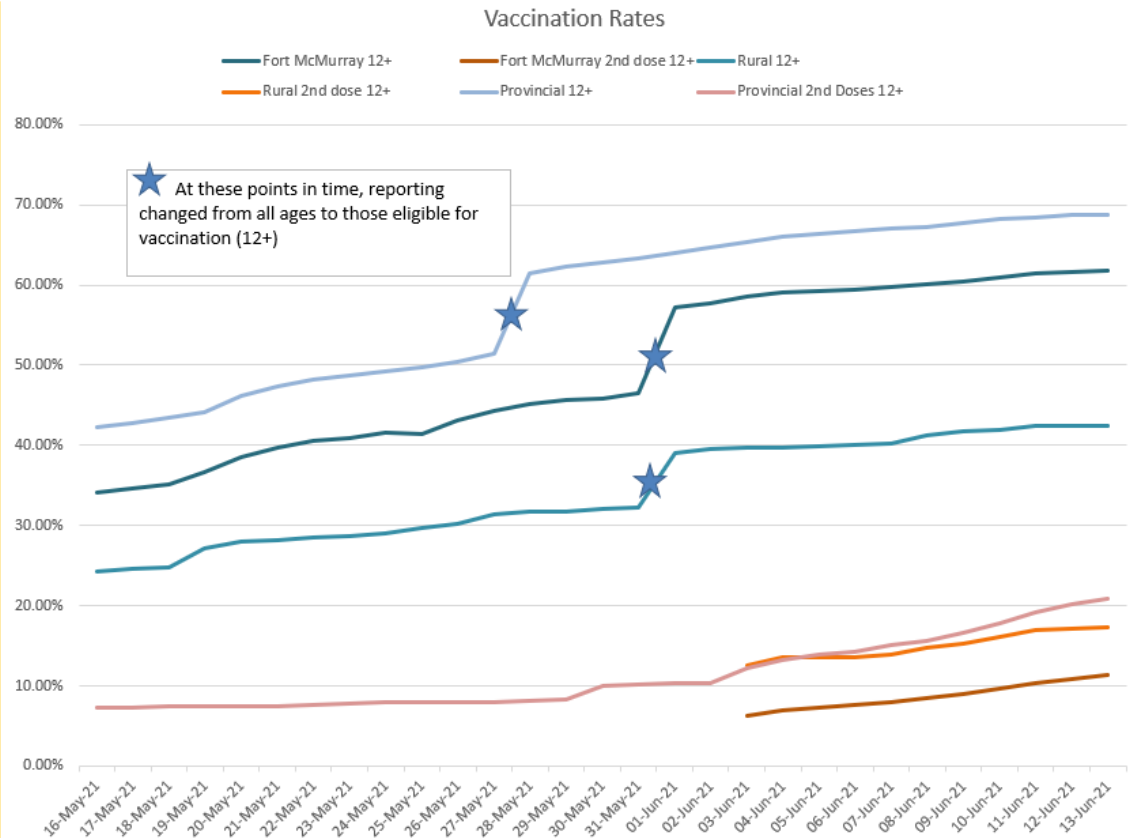

COVID-19 UPDATE

New vaccination information:

First Dose	Book
March	Now
April	Now
May	June 28

Where possible, AHS and participating pharmacies who administered your first dose will contact you when you are eligible for your second dose. You do not need to wait to be contacted to book an appointment once you are eligible and you can choose where to go to get your second dose.

[More information on Vaccinations can be found here.](#)

Second Dose:

Every Albertan should get their second dose when they're eligible. A single dose of COVID-19 vaccine offers at least 73% protection against severe outcomes, including hospitalization and death. However, second doses are needed to get the best and most long-lasting protection.

The following information was presented regarding 2nd doses.

- Alberta will have sufficient supply of each vaccine to provide 2nd doses
- Anyone who received 1st dose of AstraZeneca in April or later can book second dose (either AstraZeneca or mRNA) at least 8 weeks after the 1st dose.
- Fact Sheet for Albertans who got AstraZeneca for first dose available [here](#).
- Quarantine rules have changed for people who are fully immunized:
 - People with 2 doses no longer need to quarantine if they are exposed to someone with Covid-19 if they have no symptoms.
 - People with 1st dose have shorter quarantine requirements

Vaccine Efficacy:

Vaccine	After 1 st Dose	After 2 nd Dose
Moderna	82%	93%
Pfizer	73%	90%
B.1.1.7 UK Variant	73%	91%
P.1 Brazilian Variant	75%	89%
B.1.617.2 Delta Variant	33%	88%

Vaccines help prevent you from getting infected and protect you from getting severely sick if you do get it. [All vaccines are safe, effective and save lives.](#)
