Some municipal service fees and rates are increasing April 1

In November, RMWB Council approved increases to several user rates and fees as part of the annual update to the user fees, rates and charges bylaw. These include:

- Utilities (water, sewer, garbage + curbside)
- Transit
- Landfill
- Cemeteries
- Development and building permits and services

The increases will help offset the cost of delivering these services.

Rural transit fare increasing April 1, 2025

Rural transit cash fares for adults and children are increasing by 11%, effective April 1.

- **Adult fares (ages 13 – 64):**
 - Current fare: \$12
 - New fare: \$13.50 (11% increase).
- **Child fares (ages 5 – 12):**
 - Current fare: \$6
 - New fare: \$6.75 (11% increase).

Utility rates increasing by 10-15%

Utility rates for municipal water, wastewater, and certain solid waste services are increasing by 10 to 15%. The changes vary depending on the size of the property's water meter and between rural, urban, and commercial services.

New fee structure in place for some administrative services

Additional new fees cover certain ambulance services and community backyard rink applications.
