

JANVIER NEWS

MARCH 2025

JANVIER WATER AND SEWER PROGRAM

The 2024 construction season has wrapped up, but you can still **get your Rural Water and Sewer Services (RWSS) application started over the winter**. This will help ensure your home is ready to start being connected next construction season and you take advantage of the significant savings offered through the RWSS program.

19 homes in Janvier and a total of 287 homes in the region have already connected to piped water and sewer services through the RWSS program.

The end of next construction season is the deadline to connect your home

The Municipality will cover a large portion of the cost to connect your home to piped water and sewer services up to the end of the 2025 construction season for Janvier.

After this deadline, you will be responsible for the full connection cost, which can be anywhere between \$40,000 to \$110,000 as opposed to the lower cost of \$16,000 with 0% interest available now. The full cost of trucked water deliveries and sewer pickups will also be your responsibility if your home isn't connected by the deadline.

How do I start my application over the winter?

- Review the RWSS Homeowners Guide and important information at rmwb.ca/rwss. You can also visit your local Municipal office or call 780-743-7000 to ask questions and get help starting your application.
- Contact a certified contractor to discuss what the work connecting your home will entail. A contractor quote must be submitted in the spring to the Municipality for approval as part of your application. While quotes won't be approved over the winter, contractors can still prepare everything so work can begin next construction season. A list of certified contractors is available on the RMWB website.
- You're in control of the entire application process, but your contractor can take the lead on everything if you prefer.
- Your Municipal tax and utility accounts must be in good standing. Outstanding balances must be paid before your RWSS application can be approved.

Need help?

Connecting your home to piped water and sewer may seem complicated, but we're here to help guide you through the process. Visit your local municipal office or call 780-743-7000 to learn more and ask questions.

REGIONAL MUNICIPALITY
OF WOOD BUFFALO

Understanding your property assessment

Notices were issued by the Regional Municipality of Wood Buffalo on Feb. 18 to residential and commercial property owners across the region.

Assessment notices contain important information about a property's value and help to ensure each property owner pays their fair share of property taxes in 2025.

For the 2025 taxation year, the property assessments are based on July 1, 2024 market values and physical conditions as of Dec. 31, 2024. Assessments are then used to calculate your annual property tax.

Property tax notices are sent out in May once Council reviews and approves the 2025 Property Tax Rate Bylaw. You can also access information about your property assessment using the **online search tool** on the municipal website.

File an appeal by April 28

After speaking with an assessor, property owners who still have concerns with their assessment may file an appeal with the Assessment Review Board before the April 28 deadline. For more information on how to file an appeal, visit **rmwb.ca/assessments**.

Request for Information (RFI) - Watch your mail in March

Some residents will also be receiving a RFI notice in the mail. This information helps the RMWB to collect information about your property so the Assessment office can calculate a fair and equitable market values assessment. The RFI cycles through different neighbourhoods, so you won't receive one every year for the same property.

Learn more about assessments and property taxes at **rmwb.ca/taxes**.

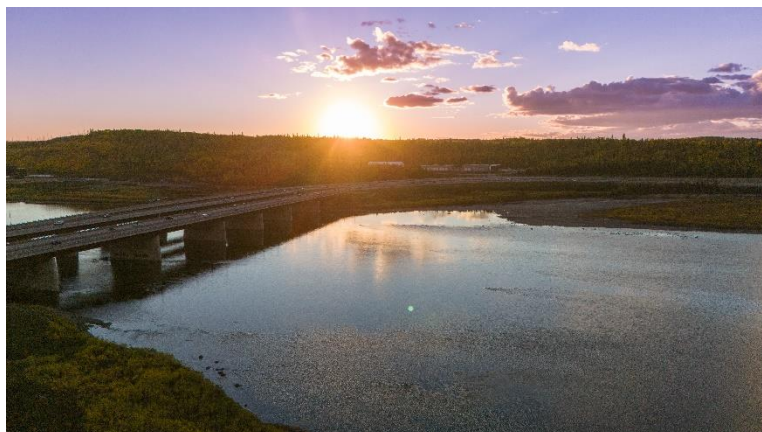

For further information or questions, please contact Pulse at 780-743-7000 or online at **rmwb.ca/pulse**.

New Land Use Bylaw being presented to Council March 24

A new Land Use Bylaw (LUB) is being presented to Council for consideration at a Public Hearing on March 24, 2025, at 6 p.m. in Council Chambers at the Jubilee Centre. Community members are encouraged to share their thoughts about the LUB with Council during the Public Hearing.

What is the Land Use Bylaw (LUB)?

The LUB regulates the use and development of land and buildings within the Regional Municipality of Wood Buffalo to support safe and sustainable growth. The current LUB has been in place since 1999 and needs to be replaced to respond to the changes over the past 25 years and community needs.

Developed through extensive public engagement, the new Land Use Bylaw is user-friendly with updated regulations that address community needs and will support responsible development and economic growth in the region by providing greater flexibility for new development.

Review the draft LUB and the public engagement What We Heard Report at participate.rmwb.ca/LUB

Register to participate in the Public Hearing by noon on March 17

If you would like to share your thoughts about the new LUB with Council, you must register with Legislative Services before 12:00 noon, Monday, March 17, 2025. Residents can share their thoughts in-person or by sending in a written submission.

- Register on-line at www.rmwb.ca/publichearingsubmission
- Email legislative.assistants@rmwb.ca
- Call Legislative Services at 780-743-7001. (*only for in-person presentations)

Tune in to watch the Public Hearing live on the [RMWB Youtube channel](#) or on the local Rogers TV station.

- Utilities (water, sewer, garbage + curbside)
- Transit
- Landfill
- Cemeteries
- Development and building permits and services

The increases will help offset the cost of delivering these services.

- **Child fares (ages 5 – 12):**
 - Current fare: \$6
 - New fare: \$6.75 (11% increase).

Utility rates increasing by 10-15%

Utility rates for municipal water, wastewater, and certain solid waste services are increasing by 10 to 15%. The changes vary depending on the size of the property's water meter and between rural, urban, and commercial services.

New fee structure in place for some administrative services

Additional new fees cover certain ambulance services and community backyard rink applications.
