TIMBERLEA	18222	6659	6950
WATERWAYS	132	152	86
Total	37439	14806	17615

The total population counted in this report may be slightly different from what appears on the census website for the following reasons

1. There is a time lag between the last refresh of this report and the population counter on the census website.
2. This report includes people counted at additional addresses (basement suites and others) added since the census started.

Total Population Counted	Total Dwellings Completed	% of Dwellings Completed	Dwelling Not Enumerated
37439	14806	45.67	17615
