DEVELOPMENT PERMIT APPLICATION CHECKLIST & QUESTIONNAIRE

This checklist of application submission requirements shall be **completed** and **attached** to all Development Permit applications. All of the required information is necessary for the review of the application and for a timely decision to be rendered. To expedite the evaluation, staff have been instructed to accept **only** complete applications, which require:

- **All** application submission requirements to be included in the application; and,
- All materials to be **clear, legible** and **precise**, and to be prepared to professional drafting standards.
- **NOTE:** all measurements are to be expressed in metric; all measurements are shown to outside face of building foundation wall at ground level, etc.

Should the above be considered inadequate by staff, the application shall be deemed **incomplete** and will not be reviewed until the requirements have been satisfied.

All boxes shall be “CHECKED” and information indicated attached to the application.
