DEVELOPMENT PERMIT APPLICATION CHECKLIST

This checklist of application submission requirements shall be **completed** and **attached** to your Development Permit application. All of the required information is necessary for the review of the application and for a timely decision to be rendered. To expedite the evaluation, staff have been instructed to accept **only** complete applications, which require:

- **All** application submission requirements to be included in the application; and,
- All application submission requirements to be **clear, legible, and precise**, and to be prepared to professional drafting standards.

Should the above be considered inadequate by staff, the application shall be deemed **incomplete** and will not be reviewed until the requirements have been satisfied.

All boxes shall be “CHECKED” and information indicated attached to the application.
