See who's running in the 2025 Municipal Election!

This is your chance to learn more about your choices in the municipal election! The RMWB is featuring Council candidate profiles on its election webpage for the first time – find them on the [Who's Running page](#).

Candidates for RMWB Council were given an opportunity to submit a 150-word profile statement, a photo and a 1-minute video, as well as social media accounts and contact information.

Submitting candidate profile information was **voluntary** and not all candidates for RMWB Council participated. School trustee candidates can be found on the official [List of Candidates](#).

Photos and profile statements submitted by candidates have been published on the [Who's Running page](#). **Videos recorded by Council candidates in the RMWB studio are expected to be published in early October.**
