# Census 2025

## April 1- June 30, 2025

The Municipality is launching the 2025 Municipal Census on April 1.

The main purpose of Census 2025 is to produce a population count which helps the RMWB, and its many community partners, including the business and social-profit sectors plan for the services that make Wood Buffalo a place to proudly live, work and explore.

**Participating in census is easy; there are several ways to count yourself in.**

### **Online**

Residents have multiple convenient ways to complete the 2025 municipal census, with the online option being especially quick and easy! Residents will receive their personal identification number (PIN) letters by regular mail, each containing a unique PIN located in the top-right corner, specific to their household.

To complete the census, go to [rmwb.ca/census](https://rmwb.ca/census) where you'll find a direct link to the census portal.

### **Enumerators will be in your neighbourhood soon**

In certain rural communities, enumerators will also offer instant enumeration when delivering PIN letters. Enumerators will be wearing RMWB branded T-shirts and hats along with badges to identify them as census workers.

### **Call Pulse to complete the census by phone**

Residents can also complete their census by phone by contacting Pulse at 780-743-7000 or toll-free at 1-800-973-9663. Pulse will connect you with the census team, who are available to assist with any questions, help retrieve your PIN and even complete the enumeration process over the phone.
