**REGIONAL MUNICIPALITY
OF WOOD BUFFALO**

**Save time in October.
Register to vote today.**

Save time at the polls and register to vote before Aug. 15

Register online in advance of the municipal election on Oct. 20 at voterlink.ab.ca

Save time at the polls and register to vote in advance of the upcoming municipal election on Oct. 20.

All voters in Alberta need to be registered to vote in the upcoming municipal elections. Residents should check if they are already registered – or still need to register – at Election Alberta’s Voterlink website at voterlink.ab.ca.

Those who are not already registered when it is time to vote will need to complete the full registration process at the polls.

Register to vote before Aug. 15

All voters wishing to register online in advance must do so before Aug. 15, which is when the RMWB must send voter data to the Province. If you are an eligible voter and you do not register online before Aug. 15, you will still be able to vote after you fill out the registration forms at the polls.

Register of voters now required by Province

In line with recent changes from the Province, the Local Authorities Elections Act now requires municipalities to create a permanent register of local voters.

This means that to vote in the upcoming general election on Oct. 20, you must be listed on the Register of Electors and show valid ID at the voting station. Election officials will use the register and your ID to confirm your eligibility to vote.

Do you have questions about the RMWB election on Oct. 20? Find more information at rmwb.ca/election or contact Pulse at 780-743-7000.

WHERE ARE SUPPORTS NEEDED?

Your feedback is shaping a 10-year strategy to strengthen safety and social well-being, identifying community priorities in supports for seniors and Elders, programs for youth and children, transportation, and cultural services.

Stay involved and informed

- Participate online at rmwb.ca/socialwellbeing
- Complete a paper survey or quick poll at your local municipal office
- Chat at an upcoming rural community open house

Feedback will help show where supports are strong, where gaps exist, and how to improve access and connection.

The new Roads and Transportation Bylaw was passed on July 8, 2025

The [Roads and Transportation Bylaw No. 25/020](#) will enhance community safety and is aligned with current Provincial legislation and enforcement standards. This provides the Municipality with updated enforcement, education, and compliance tools.

While e-scooter use has previously been prohibited in public spaces in the region, the new bylaw clarifies these laws and addresses the increase of public safety concerns related to e-scooters.

The new bylaw also provides clarity on the fines and penalties for illegal use. E-scooter use is illegal in public spaces, which includes:

- Sidewalks
 - Paths
 - Trails
 - Roads

After an education-focused period, a \$500 fine may be issued for illegal use, or possible impoundment. Any enforcement action is intended to ensure the safety of everyone who uses our sidewalks, pathways, and trails in Wood Buffalo.

DO~~N~~'T FEED BEARS

These items have odours that could attract a bear to your property. Keep your yard clean and store what you can in the house or garage.

- garbage ■ birdseed ■ pet food ■ compost
- fruit-bearing trees and shrubs ■ jerry cans
- motor oil ■ anti-freeze ■ rubber ■ vinyl
- insect repellents ■ air fresheners
- scented candles ■ BBQs ■ cooking oil
- food odours coming from open windows
- food and drinks ■ pop cans and other empties
- rabbits, chickens, other small domestic animals
- grain and livestock feed

Doing this can help prevent problems with other kinds of wildlife, too.

Emergency Social Services (ESS)

ESS provides individuals or families with supports when they are displaced due to an emergency. Registration centres or other evacuation sites are set up to register evacuees and provide immediate basic needs. This support is available to provide a safe place for evacuees to plan their next steps as they transition to recovery.

Registration centres may provide the following services:

- Food/water
- Shelter
- Clothing
- First Aid/emotional support
- Family reunification
- Animal care and rescue assistance

NOTICE TO RURAL RESIDENTS

Water and septic service reminders

To allow water and septic delivery trucks access and to provide continuous service for all residents, please follow to the requirements below:

- 1) **Basement water tanks or water tanks that are not visible:** All customers must have their volume posted in a visible place so water delivery contractor can see proper date and amount of water required (displayed in litres).
- 2) **Hanging branches and wires on driveways:** Make sure that delivery vehicles have a minimum 15 feet of clearance. All low hanging branches must be trimmed to prevent damage to trucks, and low hanging wires are to be raised.
- 3) **Provide clear access:** All vehicles/obstacles must be removed on driveways during the delivery schedule and the ensure the water delivery vehicle is able to drive within **15.24 meters** of the delivery point for water.
- 4) **Ensure pets are contained:** For the safety of contractors and pets, all dogs are to be tied up or inside your home, for service provider to access your property.
- 5) **Keep access points clear of snow and ice:** During winter months, keep driveways and pathways to water and septic hook ups, clear of snow and ice and thaw receivers and caps for hose access.
- 6) **Maintain cam-lock/hoses:** The winterization and maintenance of the cam-lock fitting and hoses is the responsibility of the home-owner. All cam-locks and hoses are to be drained and water to be removed to prevent freezing and breakage of cam-lock.
- 7) **Safety of septic tanks:** All septic tanks will be equipped with a “stinger” and an approved lid on the tank.
- 8) **Driveways:** If your driveway is soft (spring thaw), it is the homeowner’s responsibility to contact the RMWB to suspend delivery or to add a proper hose with the required cam-lock and extend down driveway to location of delivery.

Walking Safety Tips

Walk Facing Traffic: If there is no sidewalk and you must walk on the side of the road, choose the side where you are facing oncoming traffic. This gives you the best chance to see traffic approaching closest to you and take evasive action if necessary.

Cross Safely: Look both ways before crossing any street. Make eye contact with any drivers who may be turning. Give them a wave. Make sure they see you.

Walk Single File: Unless you are on a sidewalk separate from the road, you should walk single file. This is especially important on a road with lots of curves. While it can be enjoyable to walk down the road two or three abreast chatting merrily, drivers don't expect it.

Stay aware of bikes and runners: Share the road and path with bikes and runners. Bike riders should alert you when approaching from behind with a bike bell or a "passing on the left/right." Listen for them.

Be Visible: Wear bright colors when walking in daytime. When walking at night wear light-colored clothing and reflective clothing or reflective vest to be visible.

Hang Up and Eyes Up: Chatting or texting while walking is as dangerous as doing that while driving. You are distracted and not as aware of your environment. You are less likely to recognize traffic danger, passing joggers and bikers or tripping hazards. Potential criminals can also see you as a distracted easy target.

When walking your pet: keep your pet on the side away from traffic so that they don't accidentally dart into the roadway.
