## Updates to the Rural Water and Sewer Servicing (RWSS) connection program

Great news – at the May 19, 2026 Council Meeting in Anzac, Council approved an extension to the Rural Water and Sewer Servicing (RWSS) connection program period. The eligibility period has now been extended **from five to seven years**.

### What does that mean for residents in Janvier?

If you haven't connected to piped water and sewer services, you now have until **June 30, 2028** to take advantage of the significant savings offered through the RWSS program. As of Jan. 31, 2026, 29 homes in Janvier have already connected to municipal systems.

### What happens if I connect after the program period has ended?

After the deadline of June 30, 2028, you will be responsible for the **full connection cost**, which can be anywhere between \$40,000 to \$110,000 as opposed to the lower cost of \$16,000 with 0% interest available now.

The full cost of trucked water deliveries and sewer pickups will also be your responsibility if your home isn't connected by the deadline.

### How can I get started?

- Review the RWSS Homeowners Guide and important information at [rmwb.ca/rwss](http://rmwb.ca/rwss).
- Contact a certified contractor to discuss what the work connecting your home will entail. A contractor quote must be submitted for approval as part of your application. A list of certified contractors is available on the RMWB website.
- Your Municipal tax and utility accounts must be in good standing. Outstanding balances must be paid before your RWSS application can be approved.

### Need help?

Connecting your home to piped water and sewer may seem complicated, but we're here to help guide you through the process. Call 780-743-7000 to learn more, ask questions, and get help starting your application.

Find everything you need to know about the Rural Water and Sewer Servicing Program, including more details on how to apply, at [rmwb.ca/rwss](http://rmwb.ca/rwss).

## Check your mail - property tax notices are out

The Municipality mailed out 2026 property tax notices to all residential and commercial property owners.

It is the responsibility of property owners to contact the municipality if they do not receive their notice. Late payment penalties will be applied to any outstanding balance of property taxes after June 30.

In addition to mail, there are a variety of ways to pay your property taxes:

- At a bank/financial institution
- Through online banking
- [RMWB's Online Payment Portal](#)
- In-person at a municipal office

The RMWB also offers the Tax Installment Payment Plan (TIPP) for monthly property tax payments for those without taxes included in their mortgage. For the full list of options and payment details, visit [rmwb.ca/taxes](http://rmwb.ca/taxes).

Learn more at [rmwb.ca/taxes](http://rmwb.ca/taxes) or contact Pulse at **780-743-7000** or Toll Free at **1-800-973-9663**.

### Rural non-residential small business property sub-class

Don't forget: Business owners that meet the criteria outlined in the provincial regulation can apply to receive a 25 per cent reduction from the rural non-residential municipal tax rate. Visit the RMWB website for more details and to apply.
