At the Fort McMurray Ringette Association, our U14A competitive team is fueled by a deep passion for ringette and a steadfast commitment to developing well-rounded young athletes. We believe in nurturing character, leadership, and self-confidence through healthy competition, skill development, and teamwork.

Our mission goes beyond the rink. We strive to foster strong, lasting relationships among team members—connections that build a sense of belonging and extend into everyday life. By creating an inclusive and supportive environment, we enhance motivation, enjoyment, and personal growth for every athlete.

To further elevate performance and provide specialized training not currently available in our region, we've partnered with Mel Thomas Performance, a respected Edmonton-based training company. From December 2024 to January 2025, our team will participate in a focused development program designed to enhance athletic capacity and competitive readiness.

This grant will be instrumental in advancing our mission. It will allow us to invest in ongoing athlete training and coaching development—resources essential to sustaining and growing the sport of ringette in our region. While our fundraising efforts are passionate and persistent, the impact of this grant would reach far beyond what we could achieve alone.

Our commitment to our players and our community is unwavering. With your support, we will continue to foster excellence on the ice, build leadership off the ice, and strengthen the bonds that make our team—and our region—so exceptional.

Note: Applicant must attach an official reference letter from the competition governing organization confirming qualification on the Attachment Tab.
