Understanding your property assessment

Notices were issued by the Regional Municipality of Wood Buffalo on Feb. 18 to residential and commercial property owners across the region.

Assessment notices contain important information about a property's value and help to ensure each property owner pays their fair share of property taxes in 2025.

For the 2025 taxation year, the property assessments are based on July 1, 2024 market values and physical conditions as of Dec. 31, 2024. Assessments are then used to calculate your annual property tax.

Property tax notices are sent out in May once Council reviews and approves the 2025 Property Tax Rate Bylaw. You can also access information about your property assessment using the **online search tool** on the municipal website.

File an appeal by April 28

After speaking with an assessor, property owners who still have concerns with their assessment may file an appeal with the Assessment Review Board before the April 28 deadline. For more information on how to file an appeal, visit rmwb.ca/assessments.

Request for Information (RFI) - Watch your mail in March

Some residents will also be receiving a RFI notice in the mail. This information helps the RMWB to collect information about your property so the Assessment office can calculate a fair and equitable market values assessment. The RFI cycles through different neighbourhoods, so you won't receive one every year for the same property.

Learn more about assessments and property taxes at rmwb.ca/taxes.

For further information or questions, please contact Pulse at 780-743-7000 or online at rmwb.ca/pulse.

Clear the way: Bring your bins in after collection

Snowplows and equipment need clear streets to keep our community safe. **Leaving garbage and recycling bins on the street after collection can lead to damage from snow removal equipment.** Help us keep things running smoothly by following curbside collection guidelines.

What you need to know

- ✓ **Set your bins out on time** – Place them at the curb by **7:30 a.m.** on collection day.
- ✓ **Remove them the same day** – Bins **must not** be left on the street overnight.

Winter bin placement tips

Make sure your bins are placed in a clear, accessible spot. Bins blocked by snow, ice, or other obstacles may not be collected.

- ❄️ Place bins **in front** of snowbanks, never on top or behind.
- ❄️ Keep **one-foot** in-between bins and keep them **3 feet** from vehicles.
- ❄️ Ensure bins are **firmly closed**.

Thank you for your help keeping the streets safe and accessible for everyone.

For more details, visit rmwb.ca/garbage or contact Pulse at 780-743-7000, 1-800-973-9663, or rmwb.ca/pulse.

New Land Use Bylaw being presented to Council March 24

A new Land Use Bylaw (LUB) is being presented to Council for consideration at a Public Hearing on March 24, 2025, at 6 p.m. in Council Chambers at the Jubilee Centre. Community members are encouraged to share their thoughts about the LUB with Council during the Public Hearing.

What is the Land Use Bylaw (LUB)?

The LUB regulates the use and development of land and buildings within the Regional Municipality of Wood Buffalo to support safe and sustainable growth. The current LUB has been in place since 1999 and needs to be replaced to respond to the changes over the past 25 years and community needs.

Developed through extensive public engagement, the new Land Use Bylaw is user-friendly with updated regulations that address community needs and will support responsible development and economic growth in the region by providing greater flexibility for new development.

Some municipal service fees and rates are increasing April 1

In November, RMWB Council approved increases to several user rates and fees as part of the annual update to the user fees, rates and charges bylaw. These include:

- Utilities (water, sewer, garbage + curbside)
- Transit
- Landfill
- Cemeteries
- Development and building permits and services

The increases will help offset the cost of delivering these services.

Rural transit fare increasing April 1, 2025

Rural transit cash fares for adults and children are increasing by 11%, effective April 1.

- **Adult fares (ages 13 – 64):**
 - Current fare: \$12
 - New fare: \$13.50 (11% increase).
- **Child fares (ages 5 – 12):**
 - Current fare: \$6
 - New fare: \$6.75 (11% increase).

Utility rates increasing by 10-15%

Utility rates for municipal water, wastewater, and certain solid waste services are increasing by 10 to 15%. The changes vary depending on the size of the property's water meter and between rural, urban, and commercial services.

New fee structure in place for some administrative services

Additional new fees cover certain ambulance services and community backyard rink applications.
