SAPRAE CREEK NEWS

DECEMBER 2025

A Thank-You From Stu & the Wigle Family

I want to extend a heartfelt thank you to everyone in Saprae Creek and Draper who came out to vote. Your support means the world to me, and on behalf of myself, Dana, and our boys, thank you for trusting me with another term as your Ward 3 Councillor.

I also want to acknowledge Sarah Hollands for putting her name forward and running a strong campaign. Our community is better when good people step up.

I'm incredibly excited for the next four years as we continue building Saprae Creek and Draper into even stronger, more connected, and thriving places to live within the RMWB. The first couple of weeks of orientation are now wrapped up, and we're jumping right into budget and strategic planning—work that directly impacts our communities.

I look forward to connecting with everyone soon, and from our family to yours, Merry Christmas and a blessed holiday season to all of Saprae Creek and Draper!

Stu Wigle, Ward 3 Councillor

Walking Safety Tips

Walk Facing Traffic: If there is no sidewalk and you must walk on the side of the road, choose the side where you are facing oncoming traffic. This gives you the best chance to see traffic approaching closest to you and take evasive action if necessary.

Cross Safely: Look both ways before crossing any street. Make eye contact with any drivers who may be turning. Give them a wave. Make sure they see you.

Walk Single File: Unless you are on a sidewalk separate from the road, you should walk single file. This is especially important on a road with lots of curves. While is can be enjoyable to walk down the road two or three abreast chatting merrily, drivers don't expect it.

Stay aware of bikes and runners: Share the road and path with bikes and runners. Bike riders should alert you when approaching from behind with a bike bell or a "passing on the left/right." Listen for them.

Be Visible: Wear bright colors when walking in daytime. When walking at night wear light-colored clothing and reflective clothing or reflective vest to be visible.

Hang Up and Eyes Up: Chatting or texting while walking is as dangerous as doing that while driving. You are distracted and not as aware of your environment. You are less likely to recognize traffic danger, passing joggers and bikers or tripping hazards. Potential criminals can also see you as a distracted easy target.

When walking your pet: keep your pet on the side away from traffic so that they don't accidently dart into the roadway.
