Updates to the Rural Water and Sewer Servicing (RWSS) connection program

Great news – at the May 19, 2026 Council Meeting in Anzac, Council approved an extension to the Rural Water and Sewer Servicing (RWSS) connection program period. The eligibility period has now been extended **from five to seven years**. **What does that mean for residents in Conklin?**

If you haven't connected to piped water and sewer services and reside in an **eligible** portion of the community, you now have until **Dec. 31, 2030**, to take advantage of the significant savings offered through the RWSS program.

As of January 31, 2026, there are 26 properties in Conklin connected to the municipal systems.

What happens if I connect after the program period has ended?

After the deadline of Dec. 31, 2030, you will be responsible for the **full connection cost**, which can be anywhere between \$40,000 to \$110,000 as opposed to the lower cost of \$16,000 with 0% interest available now.

The full cost of trucked water deliveries and sewer pickups will also be your responsibility if your home isn't connected by the deadline.

How can I get started?

- Review the RWSS Homeowners Guide and important information at rmwb.ca/rwss.
- Contact a certified contractor to discuss what the work connecting your home will entail. A contractor quote must be submitted for approval as part of your application. A list of certified contractors is available on the RMWB website.
- Your Municipal tax and utility accounts must be in good standing. Outstanding balances must be paid before your RWSS application can be approved.

Need help?

Connecting your home to piped water and sewer may seem complicated, but we're here to help guide you through the process. Call 780-743-7000 to learn more, ask questions, and get help starting your application.

Find everything you need to know about the Rural Water and Sewer Servicing Program, including more details on how to apply, at rmwb.ca/rwss.

Be *BearSmart* at home

- ☐ Never leave food out for wildlife.
- ☐ Always keep your garbage in a garage or in a bear-resistant container until it can be removed from your property.
- ☐ Remove bird feeders from your yard between April and October. Clean up spilled bird seed regularly.
- ☐ Store pet food indoors and bring in pet dishes overnight.
- ☐ Thoroughly clean barbecues after each use and store them in a garage.
- ☐ Cover compost piles with soil or lime or use an indoor compost.
- ☐ Ensure that all fruit and berries are removed from trees and shrubs as early as possible.
- ☐ Talk to your neighbours about being BearSmart at home.
- ☐ If there's a bear in your community, call the nearest Fish and Wildlife office at 310-0000 or, after business hours, the Report a Poacher line at 1-800-642-3800.
