Walking Safety Tips

Walk Facing Traffic: If there is no sidewalk and you must walk on the side of the road, choose the side where you are facing oncoming traffic. This gives you the best chance to see traffic approaching closest to you and take evasive action if necessary.

Cross Safely: Look both ways before crossing any street. Make eye contact with any drivers who may be turning. Give them a wave. Make sure they see you.

Walk Single File: Unless you are on a sidewalk separate from the road, you should walk single file. This is especially important on a road with lots of curves. While it can be enjoyable to walk down the road two or three abreast chatting merrily, drivers don't expect it.

Stay aware of bikes and runners: Share the road and path with bikes and runners. Bike riders should alert you when approaching from behind with a bike bell or a "passing on the left/right." Listen for them.

Be Visible: Wear bright colors when walking in daytime. When walking at night wear light-colored clothing and reflective clothing or reflective vest to be visible.

Hang Up and Eyes Up: Chatting or texting while walking is as dangerous as doing that while driving. You are distracted and not as aware of your environment. You are less likely to recognize traffic danger, passing joggers and bikers or tripping hazards. Potential criminals can also see you as a distracted easy target.

When walking your pet: keep your pet on the side away from traffic so that they don't accidentally dart into the roadway.

Calling all students - Join MACOY and advocate for the youth of Wood Buffalo

Apply to join the Mayor's Advisory Council on Youth by Aug. 10

If you are a student entering grade 9 to 12 in September, apply to join the Mayor's Advisory Council on Youth (MACOY).

“MACOY is an incredible way for young people to connect with the Municipality and get involved with what happens in the community,” said Mayor Sandy Bowman. “It’s also important to us that youth perspectives and ideas are shared with us as a Municipality. We strongly encourage anyone interested to apply, including students from across the region.”

MACOY members work closely with the Mayor and other community leaders to bring the youth perspective to municipal initiatives and advocate for local youth on important matters to the community.

MACOY members also participate in meaningful volunteer work, support community events, and make a real positive impact throughout the region.

MACOY volunteer and community events

In the 2025/2026 MACOY term, MACOY members learned a lot about the region, municipal processes, and the value of volunteering.

Last year, MACOY members went on a bus tour around Fort McMurray to learn about municipal services and meet the people who support those services. This included going to the Material Recovery Facility, the Regional Emergency Coordination Centre, Transit Station, and the Water Treatment Plant.

MACOY members also participated in mock Council meetings to learn more about processes in municipal government and volunteered at various events, like igNIGHT and Santa's Village.

They learned about the positive impact municipal services and volunteering opportunities have on the community.

Apply online today!

If you're ready to give a voice to youth in the region, meet new people and build valuable skills for your future, apply online by Aug. 10 at rmwb.ca/MACOY.

For questions, contact Pulse online or by calling 780-743-7000., or toll-free at 1-800-973-9663.
