Peer Coaching for Healthy Living

Reach your best health with the help of a coach

People need support when taking care of long-term health concerns. There are trained peer coaches who will talk with you over the phone about ways to take care of your own health conditions.

What Will a Peer Coach Do?

- Talk about how to solve problems, set action plans, and achieve goals
- Help you stay on track and check in with you on your goals, and help make decisions towards healthy habits
- Help find services and programs in your community
- Provide social and emotional support
- Talk with you for 30 minutes every week for 3 months
- Connect with adults in the Edmonton and Northern Alberta areas who cannot use online options

Who are the Peer Coaches?

They are trained AHS volunteers who may be living with similar health issues. They are not health professionals and cannot provide medical advice.

How Do I Get a Peer Coach?

It is FREE to be paired with a coach, and each person is matched to the coach who will offer the best support. Scan the QR code or call the number listed.
