# JUNE 2026

## Updates to the Rural Water and Sewer Servicing (RWSS) connection program

Great news – at the May 19, 2026 Council Meeting in Anzac, Council approved an extension to the Rural Water and Sewer Servicing (RWSS) connection program period. The eligibility period has now been extended **from five to seven years**. **What does that mean for residents in Conklin?**

If you haven't connected to piped water and sewer services and reside in an **eligible** portion of the community, you now have until **Dec. 31, 2030**, to take advantage of the significant savings offered through the RWSS program.

As of January 31, 2026, there are 26 properties in Conklin connected to the municipal systems.

### What happens if I connect after the program period has ended?

After the deadline of Dec. 31, 2030, you will be responsible for the **full connection cost**, which can be anywhere between \$40,000 to \$110,000 as opposed to the lower cost of \$16,000 with 0% interest available now.

The full cost of trucked water deliveries and sewer pickups will also be your responsibility if your home isn't connected by the deadline.

### How can I get started?

- Review the RWSS Homeowners Guide and important information at [rmwb.ca/rwss](http://rmwb.ca/rwss).
- Contact a certified contractor to discuss what the work connecting your home will entail. A contractor quote must be submitted for approval as part of your application. A list of certified contractors is available on the RMWB website.
- Your Municipal tax and utility accounts must be in good standing. Outstanding balances must be paid before your RWSS application can be approved.

### Need help?

Connecting your home to piped water and sewer may seem complicated, but we're here to help guide you through the process. Call 780-743-7000 to learn more, ask questions, and get help starting your application.
