Final audited statements must be submitted with the CPA's audit engagement report.

FCSS programs promote and enhance the well-being of Individuals, families, and communities through the delivery of preventive programs and services.

This letter should outline the nature of the partnership, including any agreed-upon roles, contributions (such as financial support, shared resources, joint planning, or coordinated efforts), and the intended impact. Review Engagement Financial Statements - Financial statements reviewed by an independent Chartered Professional Accountant (CPA) in accordance with Section 8100 of the CPA Canada Handbook – Assurance. A review provides limited assurance and is less extensive than an audit. Statements must follow generally accepted accounting principles for non-profit organizations, be approved by the Board of Directors, and signed by the Chair and Treasurer. The finalized statements must be submitted with the CPA's review engagement report.

Restricted Net Assets – Accumulated net assets that the organization has set aside for a particular purpose or earmarked by a donor for a specific program or project, as reflected on the organization's financial statements. These assets are excluded from the calculation that determines eligibility.

Secured Revenue – Funds or income that an organization has already received or has been guaranteed through formal agreements, contracts, or commitments. This type of revenue is considered reliable and can be confidently counted on when planning budgets or financial strategies. Because it is assured, secured revenue can reduce the need for additional funding or grants.

Shortfall – An organization's expenses exceed its revenues, resulting in a financial deficit. The grant request cannot be higher than the projected shortfall (secured revenue minus budgeted expenses).
