## Candidate nominations open for 2025 municipal election

*New rules in place for campaigning, find more information at [rmwb.ca/elections](https://rmwb.ca/elections)*

Candidate nominations are now open to all eligible residents interested in running for the position of RMWB mayor, councillor or school board trustee.

### New rules are in place for 2025 municipal election

Changes to the [Local Authorities Elections Act](#) require candidates to submit a notice of intent to appear on the official register of candidates before accepting campaign donations and incurring expenses. In addition, all candidates must complete the nomination process to appear on the ballot.

The general election for the RMWB and all municipalities in Alberta will be held on Oct. 20, 2025.

### Call for candidate nominations

Nominations are now being accepted from candidates for the upcoming 2025 municipal election. Prospective candidates must file their notice of intent and complete the nomination process by **noon on Monday, Sept. 22, 2025.**

Find the notice of intent form, nomination forms, required documentation and additional information for interested candidates at [rmwb.ca/elections](https://rmwb.ca/elections).

Potential candidates with questions or in need of assistance, can contact the Elections Office through Pulse at 780-743-7000 or email [elections@rmwb.ca](mailto:elections@rmwb.ca) and a Legislative Services staff member will assist.

## Budget 2025 approved by RMWB Council

2025 Budget Highlights	Capital Projects \$166.2 million	Parks, Fleet, Transit & Roads \$80.2 million	Police & Bylaw Services \$58.7million
	Operating Budget \$476.2 million	Fire & Ambulance \$46 million	Environmental Services \$79.2 million
			Community Investment Program \$43.5 million

The Regional Municipality of Wood Buffalo (RMWB) Council approved a \$645.6 million 2025 Municipal budget on December 4, 2024.

The budget outlines a comprehensive plan that balances delivering safe, reliable services with strategic long-term capital investments to support the region's continued growth and sustainability.

The budget is comprised of \$476.2 million for operations and \$169.4 million to be transferred to reserves. The capital budget is \$166.2 million with funding from grants and 2025 revenues.

The overall increase in the budget from last year is due to the increasing costs of material and supplies across Alberta and all of Canada.

# COMMUNITY NOTICE

REGIONAL MUNICIPALITY  
OF WOOD BUFFALO

## Remove curbside collection bins from the street after pick-up

With winter in full swing, streets must be kept clear for snowplows and equipment to plow and remove snow. There have been recent incidents with garbage and recycling bins left on the street being damaged by equipment. This can be avoided by following the bylaws and requirements for curbside collection.

### Remove bins from the street

Your curbside collection bins cannot be left on the street. Bins must be placed on the curb by 7:30 a.m. on your collection day and removed from the street the same day. Bins need to be stored on your property when it's not your collection day.

### Winter bin placement

We need your help to ensure garbage and recycling bins are picked up safely and efficiently.

- Place your garbage and recycling bins in front of windrows (snowbanks). Do not place bins on top or behind windrows.
- Clear the snow away from the curb where you place your bins. If bins are blocked by snow, they may not be collected.
- Keep one-foot in-between bins and 3 feet away from vehicles.
- Ensure lids are firmly closed.

Thank you for your support following these requirements. To learn more about curbside collection, visit [rmwb.ca/garbage](http://rmwb.ca/garbage).

For questions, contact Pulse at 780-743-7000, 1-800-973-9663 or online at [rmwb.ca/pulse](http://rmwb.ca/pulse).

## Construction underway on Fort Chipewyan Winter Road

Municipal contractors are starting to build the Fort Chipewyan Winter Road. Construction work will continue throughout December, with a target opening date before Dec. 25. As always, the opening of the winter road is dependent on weather and the progress crews make, ensuring the road is safe for vehicles.

### Crews preparing for La Loche Winter Trail construction

Crews are preparing for construction of the La Loche Winter Trail. The route will open when it is safe. Please follow the winter road safety tips and look for updates at [rmwb.ca/winterroads](http://rmwb.ca/winterroads).

### Slow down! Winter road safety tips

Before travelling on the winter road, please review the Winter Road Safety Tips. Drivers are reminded to:

- Remember that travelling on the winter road when it's closed is strictly prohibited and extremely dangerous.
- Drive to conditions and stay on right-hand side of the road (especially on hills).
- Reduce speed to 30 km/h when passing equipment in the sandhills.
- Stay on the designated route. Travelling off road is extremely dangerous as there may be thin ice in areas surrounding the road.
- Prepare for emergencies ahead of time. There are no regular services like road patrol, gas stations or reliable cell phone coverage.
- Always inform someone of your travel plans before leaving.
- Make the drive using high clearance 4x4 vehicles (recommended)

### Don't miss a winter road update

Further winter road updates will be provided as they become available. Check the following sources for the latest information:

## SAPRAE CREEK ESTATES SEWER PROGRAM

The 2024 construction season has wrapped up, but you can still **get your Rural Water and Sewer Services (RWSS) application started over the winter**. This will help ensure your home is ready to start being connected next construction season and you take advantage of the significant savings offered through the RWSS program.

214 homes in Saprae Creek Estates have already connected to piped sewer services through the RWSS program.

### **The end of next construction season is the deadline to connect your home**

The Municipality will cover a large portion of the cost to connect your home to piped sewer services up to the end of the 2025 construction season for Saprae Creek Estates.

After this deadline, you will be responsible for the full connection cost, which can be anywhere between \$40,000 to \$110,000 as opposed to the lower cost of \$10,000 with 0% interest available now. The full cost of trucked sewer pickups will also be your responsibility if your home isn't connected by the deadline.

### **How do I start my application over the winter?**

- Review the RWSS Homeowners Guide and important information at [rmwb.ca/rwss](http://rmwb.ca/rwss).
- Contact a certified contractor to discuss what the work connecting your home will entail. A contractor quote must be submitted in the spring to the Municipality for approval as part of your application. While quotes won't be approved over the winter, contractors can still prepare everything so work can begin next construction season. A list of certified contractors is available on the RMWB website.
- You're in control of the entire application process, but your contractor can take the lead on everything if you prefer.
- Your Municipal tax and utility accounts must be in good standing. Outstanding balances must be paid before your RWSS application can be approved.

### **Need help?**

Connecting your home to piped water and sewer may seem complicated, but we're here to help guide you through the process. Call 780-743-7000 to learn more, ask questions and get help starting your application.

Find everything you need to know about the Rural Water and Sewer Servicing Program, including more details on how to apply at [rmwb.ca/rwss](http://rmwb.ca/rwss)

## What will my utility bill look like once I connect to piped sewer services?

Below is an example of what your bi-monthly utility bill will look like once your home is connected to piped sewer services.

These are 2024 rates from the Council approved Fees, Rates and Charges Bylaw.  
This Bylaw is updated annually and its customary to see increases to utility rates as part of the updates.

## Emergency Social Services (ESS)

ESS provides individuals or families with supports when they are displaced due to an emergency. Registration centres or other evacuation sites are set up to register evacuees and provide immediate basic needs. This support is available to provide a safe place for evacuees to plan their next steps as they transition to recovery.

Registration centres may provide the following services:

- Food/water
- Shelter
- Clothing
- First Aid/emotional support
- Family reunification
- Animal care and rescue assistance

To learn more about ESS, or to join the ESS Team, scan the QR code below:

## VPR

Emergencies happen. If you are a vulnerable person living in the region, you may be at greater risk during an emergency.

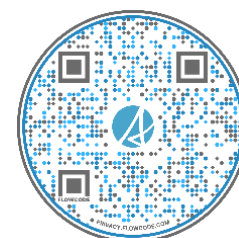

**Vulnerable  
Persons  
Registry**

The Vulnerable Persons Registry (VPR) is a service that improves the safety of vulnerable residents living at home.

This is done by communicating directly with registrants during emergencies and by sharing key information to first responders about individuals on the VPR. Click [here](#) to find out more about the VPR.

## MAERS

The MyAlberta Emergency Registration System is available to all residents of Alberta as a tool to assist during an evacuation or emergency. Albertans can register themselves and their family members in advance of an emergency using their MyAlberta Digital ID. Click [here](#) or scan below to pre-register today.

## **NOTICE TO RURAL RESIDENTS**

### **Water and septic service reminders**

To allow water and septic delivery trucks access and to provide continuous service for all residents, please follow to the requirements below:

- 1) **Basement water tanks or water tanks that are not visible:** All customers must have their volume posted in a visible place so water delivery contractor can see proper date and amount of water required (displayed in litres).
- 2) **Hanging branches and wires on driveways:** Make sure that delivery vehicles have a minimum 15 feet of clearance. All low hanging branches must be trimmed to prevent damage to trucks, and low hanging wires are to be raised.
- 3) **Provide clear access:** All vehicles/obstacles must be removed on driveways during the delivery schedule and the ensure the water delivery vehicle is able to drive within **15.24 meters** of the delivery point for water.
- 4) **Ensure pets are contained:** For the safety of contractors and pets, all dogs are to be tied up or inside your home, for service provider to access your property.
- 5) **Keep access points clear of snow and ice:** During winter months, keep driveways and pathways to water and septic hook ups, clear of snow and ice and thaw receivers and caps for hose access.
- 6) **Maintain cam-lock/hoses:** The winterization and maintenance of the cam-lock fitting and hoses is the responsibility of the home-owner. All cam-locks and hoses are to be drained and water to be removed to prevent freezing and breakage of cam-lock.
- 7) **Safety of septic tanks:** All septic tanks will be equipped with a “stinger” and an approved lid on the tank.
- 8) **Driveways:** If your driveway is soft (spring thaw), it is the homeowner’s responsibility to contact the RMWB to suspend delivery or to add a proper hose with the required cam-lock and extend down driveway to location of delivery.

# Accessibility around the RMWB

Did you know we recently developed accessibility checklists for buildings and events in collaboration with community stakeholders?

These tools allow residents, businesses and RMWB staff to identify areas where accessibility can be improved to meet community needs.

Learn more at [rmwb.ca/Accessibility](https://rmwb.ca/Accessibility).

## Why is accessibility important?

**It's inclusive and gives equal access to all.**

As part of the RMWB Commitment to Equity and Inclusion, we consulted with residents to better understand the prevalence of disabilities across demographics and the types of barriers being experienced.

The RMWB What We Heard About Accessibility 2022 report found that 58% of survey participants reported having a physical disability. It is important to acknowledge that residents also indicated facing mental, cognitive and sensory disabilities.

**It removes barriers, and it's the right thing to do.**

Accessibility is about eliminating barriers so that everyone can fully participate in society. The goal of the Accessible Canada Act is to achieve a barrier-free Canada by 2040. A barrier is anything that hinders the full and equal participation of a person in Canadian life. Barriers can be physical, architectural, technological, informational, or attitudinal.

**It benefits everyone.**

Accessibility is better for society, businesses and everyone.

Great societies become even greater when there is equal access, full engagement, and capacity to reach full potential. When accessibility is not prioritized, people are excluded from participation and that leads to lost potential for individuals, families, businesses, communities, and our economy.

## Mark your calendar: WinterPLAY is back Feb. 21 to 25

WinterPLAY at the Snye is happening Feb. 21 to 25, 2025 with lots of free winter activities for you to enjoy!

Get ready for ice slides, leisure skating, horse-drawn wagon rides, and of course, the annual Shootout on the Snye four-on-four pond hockey tournament.

## Registration for Shootout on the Snye opens Jan. 13

Circle Jan. 13 on your calendar – it's when registration opens for Wood Buffalo's favourite four-on-four pond hockey tournament!

Shootout on the Snye officially kicks off on Friday, Feb. 21 and runs until Sunday, Feb. 23 with a guarantee of three games during the tournament.

All Shootout on the Snye participants are required to register in advance.

Early bird registration (\$40/player) closes Jan. 22. Final registration (\$50/player) closes Feb. 3.

All registered players will receive a Shootout on the Snye jersey.

Register and learn more at [rmwb.ca/WinterPLAY](https://rmwb.ca/WinterPLAY).

## Winter Maintenance season begins!

Planning to visit Fort McMurray this winter? Now is the perfect time to plan ahead for winter maintenance parking restrictions. All Winter Maintenance Subzones (WMZ) are relaxed until further notice as the program officially begins Oct. 15.

On-street parking restrictions are not in effect when subzones are relaxed but you can still [sign up for alerts](#) that will go straight to your inbox!

Subzones will typically be activated on a bi-weekly basis, meaning residents need to move their vehicles off their street once every two weeks. Windrows (snowbanks) created by a plow that are higher than 15 cm will be removed from the end of driveways in active subzones.

### Keep up to date on the status of WMZs

- [Sign up for WMZ Alerts.](#)

# Walking Safety Tips

**Walk Facing Traffic:** If there is no sidewalk and you must walk on the side of the road, choose the side where you are facing oncoming traffic. This gives you the best chance to see traffic approaching closest to you and take evasive action if necessary.

**Cross Safely:** Look both ways before crossing any street. Make eye contact with any drivers who may be turning. Give them a wave. Make sure they see you.

**Walk Single File:** Unless you are on a sidewalk separate from the road, you should walk single file. This is especially important on a road with lots of curves. While it can be enjoyable to walk down the road two or three abreast chatting merrily, drivers don't expect it.

**Stay aware of bikes and runners:** Share the road and path with bikes and runners. Bike riders should alert you when approaching from behind with a bike bell or a "passing on the left/right." Listen for them.

**Be Visible:** Wear bright colors when walking in daytime. When walking at night wear light-colored clothing and reflective clothing or reflective vest to be visible.

**Hang Up and Eyes Up:** Chatting or texting while walking is as dangerous as doing that while driving. You are distracted and not as aware of your environment. You are less likely to recognize traffic danger, passing joggers and bikers or tripping hazards. Potential criminals can also see you as a distracted easy target.

**When walking your pet:** keep your pet on the side away from traffic so that they don't accidentally dart into the roadway.
