WHAT'S CHANGING?

There are new routes and schedules for all areas of Fort McMurray with more routes and frequent stops at Keyano College. Plan ahead, check the new schedules and route information at rmwb.ca/transit.

INTRODUCING NEW SERVICE TYPES

- **Core Routes** - High-frequency routes along major roads with stops at Keyano College campuses!
- **Neighbourhood Routes** - Local service in your neighbourhood and to connect to core routes.
- **Transit On Demand** - Book a ride when you need it.

WHAT DOES THIS MEAN FOR YOU?

Frequent service and fewer transfers

Keyano College is a key destination in Fort McMurray and the new transit system gives you more frequent service and fewer transfers, making it easier to get to class, work or wherever you need to go.

GET THERE FASTER!

Two core routes run frequently and offer direct service to Keyano College main campus.

- **Route 1:** Thickwood - Gregoire.
- **Route 2:** Timberlea - Keyano.

These routes take you directly to the Thickwood and Timberlea Terminals without a transfer, cutting down on travel time and keeping you out of the cold.

STAY CONNECTED LOCALLY

Neighbourhood routes connect you to nearby locations in your community and to core routes.

Route 4 Beacon Hill / MacDonald Island

provides service to Keyano College and will take you directly to your favourite downtown spots, including MacDonald Island Park and the Wood Buffalo Regional Library.

Note: Route 4 will not run during the week after 6 p.m. or on weekends. But don't worry - we've got you covered with Transit On Demand.

IT'S 2025 - YOU CAN REQUEST A RIDE WITH THE TRANSIT ON DEMAND APP!

You can book a ride when you need it. Here's how:

- Use the RMWB Transit On Demand App.
- Book online at rmwb.ca/OnDemand.
- Call Pulse at 780-743-7000.

Learn how Transit On Demand works by visiting the website or calling Pulse.

DON'T GET STUCK COUNTING CHANGE - BUY BUS TICKETS OR A STUDENT PASS!

It's cheap and easy to buy bus tickets or student passes for RMWB Transit! See fare prices and purchase locations below. Remember to bring your student ID when buying passes.

- Transfers are free, and they're valid for 90 minutes.

Note: Transfers are only needed if you're using cash or tickets – not monthly passes.
