Census 2025

Can we count on you?

The 2025 Municipal census is underway until June 30, 2025. It's important for everyone, including Municipal residents in rural communities to complete the census.

Why should you fill out the Census?

- It helps us to understand the needs of your community.
- It helps us plan for community services, to make Wood Buffalo a better place to live, work and explore.
- It provides demographic information to industry, community groups, businesses and the social profit sector. This information also supports and enhances diversity in the region.

You can complete the census online at rmwb.ca/census, call Pulse at 780-743-7000 or watch for an enumerator at your door.

Showcase your community spirit on Canada Day

Connect with the people that call Fort McMurray Wood Buffalo home with a float or walking group in the Canada Day Parade on July 1 at 10:30 a.m. Register by 4 p.m. on June 16 at rmwb.ca/CanadaDay.

Fundraise for your organization or group

Contribute to Canada Day's success and raise funds for your organization at the same time! There are eight fundraising opportunities available for local non-profit community organizations and groups. Positions include barricade monitors, safety walkers and members of the Swag Squad.

Apply for an opportunity by June 16 at rmwb.ca/CanadaDay.

Get ready to line the sidewalks with red, white and orange - safely

Family, friends, and neighbours, get ready to line the sidewalks of Franklin Avenue with red, white and orange to enjoy the Canada Day Parade on July 1 at 10:30 a.m.

The parade will travel down Franklin Ave., beginning on Main St. and ending on Riedel St. For community members seeking a quieter parade experience, find a spot along Main St. between Clearwater Dr. and Franklin Ave. for a sensory-friendly experience from 10:15 to 10:30 a.m.

There will be more free family events and activities happening too: keep an eye out for updates from MacDonald Island Park and other community organizations.

Reflect on Canada's shared history

Let's celebrate Canada Day in a way that unites us as a community.

Acknowledge with gratitude that the land on which we live, work and play is Treaty 8 territory, the traditional and ancestral land of the Cree, Dene and the unceded territory of the Métis.

Board Meeting Highlights

April 26, 2025

2024-2025 What We Heard Report presented to the Board

Superintendent of Schools/CEO Cal Johnson presented the 2024–2025 What We Heard Report. Northland hosted 15 in-person engagement sessions and one virtual session between January and March 2025. Feedback focused on student engagement, community connections, programming, and supports. This input is helping guide updates to Northland’s Education Plan. To read the full report, click on the website link: <https://www.nsd61.ca/download/509412>. The What We Heard Report will be shared with all Northland school communities.

Board approves grade additions at Elizabeth, Grouard Northland and Gift Lake Schools

The Board approved grade additions to meet community requests for more local education options:

- Elizabeth School – Grade 9
- Gift Lake School – Grade 10
- Grouard Northland School – Grade 11

Families shared that local schooling helps students succeed, stay connected to their culture, and feel strong in their communities. Northland will keep working with families to explore future grade expansions based on needs and available resources.

Phone system replacement approved

The Board approved a plan to replace Northland’s aging phone system with a new cloud-based solution. The project, supplied by Netagen, will improve reliability and safety across all 18 schools and central office buildings. The new system includes on-site gateways to maintain phone service during network outages and integrates with Google collaboration tools.
