- Expenses incurred before grant approval (i.e. retroactive costs)
- Routine maintenance and repairs

- 50% of eligible construction and acquisition costs
- 50% of eligible land purchase costs

**Other Revenue Sources:** Applicants must contribute a minimum of 50% of the capital costs from other revenue sources. The contribution can be secured or in progress at time of application. It must be directly related to the project and may include:

- Other grants,
- Cash donations,
- Donated labour, materials or services (in-kind support).

**Note:**

- Municipal funding may be used to leverage additional funding sources. However, no funds will be disbursed until the applicant has secured their required contribution.
- If the actual funding exceeds 50% of the total eligible capital costs as determined in the final report evaluation, the excess amount may be requested to be returned.

### 4. Assessment Criteria

Each capital project will be assessed based on the following criteria (**See Appendix A3-Application Evaluation Scoring Sheet**):

| Criteria                             | Weight      |
|--------------------------------------|-------------|

| Contribution to Community Resilience | 25%         |
| <b>TOTAL</b>                         | <b>100%</b> |

**\*Please note:** Since 2025 is a municipal election year, the approval of the Community Investment Program budget may be delayed. In such cases, only an interim budget may be approved initially, with the full budget possibly being finalized in early 2026. Therefore, final grant allocations and funding agreements may be postponed. Applicants are encouraged to plan accordingly, as funding decisions could be finalized later than usual. \*

## 6. Funding Disbursement Process

Before any funds are disbursed, the applicant must provide documentation confirming that at least 50% of the total capital project cost has been secured.

Acceptable documentation may include:

- Bank statements or letters confirming cash on hand
- Grant approval letters from other funders
- Donation receipts or commitment letters
- Valuation of in-kind contributions (with supporting documentation)

Once the 50% contribution is verified, funds will be disbursed in installments based on project milestones, in accordance with the terms and conditions outlined in the Grant Agreement.

The following must be satisfied and will be verified by the Municipality prior to awarding the grant funding:

- Property taxes and utilities are current and paid
- No outstanding compliance orders relating to Land Use Bylaw, Building Code, Fire Code, Community Standards Bylaw or other regulations
- No ongoing legal disputes with the Municipality
- Required permits are obtained and closed for the project without deficiencies

Exceptions to the above will be at the discretion of the Municipality on a case-by-case basis.

## 7. Reporting Requirements

Grant recipients must complete the following mandatory reports in the CIP Grant Portal as per the Reporting and Monitoring requirements of their Grant Agreement:

### **1. Certificate of Insurance**

Submit within 30 calendar days of receiving the request.

### **2. Quarterly Status Reports**

Submit within 30 days after each quarter ends until the project is complete.

### **3. Capital Project Costing Report**

Submit within 120 days after the capital project is complete with required Attachments.

### **4. The organization's Signed Financial Statements**

Submit within 180 days after the organization's fiscal year end.

- Organizations receiving over \$500,000 must submit Audited Financial Statements.
- Organizations receiving \$500,000 and less must submit Review Engagement Financial Statements.

### **5. CIP may require additional reporting on a case-by-case basis.**

## 7.1 Report Evaluation

CIP will evaluate all reports to ensure all grant agreement obligations are met.

If revisions are needed, recipients will be notified via email with a deadline. If actual expenses fall below the budget or additional revenue is received after grant approval, the grant amount will be adjusted to adhere to the funding limit (no more than 50% of actual eligible expenses). In such cases:

- Excess funds may be requested to be returned unless alternate use is approved by CIP.
  - Amounts below \$2,500 may be forgiven.
  - Amounts between \$2,500 and \$25,000 may be requested to be repaid in full.
  - Amounts over \$25,000 will be requested to be repaid in full.

Once all requirements are met and any necessary repayments are received, a File Closure Letter will be issued.

Failure to meet reporting requirements may result in termination of the grant and ineligibility for future grants.

Exceptions to these conditions are at the sole discretion of the Municipality on a case-by-case basis.

## 8. Acknowledgement Standards and Requirements

Grant recipients must acknowledge the municipality as a funding partner in all official communications.

- Use of the RMWB logo must adhere to the [Logo Standards Guide](#) via the [Logo Request Form](#).
- Funding recognition may include:
  - News release or media articles
  - Social media posts (e.g., X/Twitter, Facebook, Instagram, blog posts)
  - Website or newsletter mentions
  - Commemorative plaque or sign at the facility, site, or on the funded equipment to acknowledge the Municipality's support.

**\*Please note:** Since 2025 is a municipal election year, the approval of the Community Investment Program budget may be delayed. In such cases, only an interim budget may be approved initially, with the full budget possibly being finalized in early 2026. Therefore, final grant allocations and funding agreements may be postponed. Applicants are encouraged to plan accordingly, as funding decisions could be finalized later than usual. \*

## A2. Definitions

**Agreement** – The agreement between the recipient and the Municipality that sets out the terms and conditions for participating in the Community Investment Program.

**Applicant** – Organization incorporated as a non-profit, charitable or Subsidiary Corporation, or registered as a society under the Alberta Societies Act and in good standing under its relevant legislation who applies.

**Audited Financial Statements** – Financial statements audited by an independent Chartered Professional Accountant (CPA) in accordance with Section 200 of the CPA Canada Handbook – Assurance. An audit provides a professional opinion on whether the statements are prepared, in all material respects, in accordance with an applicable financial reporting framework. Statements must follow generally accepted accounting principles for non-profit organizations, be approved by the Board of Directors, and signed by the Chair and Treasurer. Final audited statements must be submitted with the CPA's audit engagement report.

**Board Governance** – Refers to the rules, processes, and structures that guide how a board of directors operates, including board composition, meeting procedures, and oversight responsibilities.

**Certificate of Insurance** – For details on the level of insurance required, please contact CIP.

**Community Investment Program Approval Committee (CIPAC)** – The Council Committee to approve program grant recommendations, which is composed of Council-appointed members at large and supported by members of administration who provide information and guidance as needed.

**Council** – Mayor and Councilors of the Regional Municipality of Wood Buffalo.

**Financial Statements** – A structured summary of a non-profit organization's financial performance and position. It includes a minimum of Statement of Revenues and Expenditures for a period reflecting the organization's operational results (also called Statement of Operations, or Income Statement) and Statement of Financial Position at a point of time showing the organization's assets, liabilities, and net assets (also called Balance Sheet).

**Good Standing** – An organization has satisfied all its legal obligations.

**Grant** – Transfer of monies from the Municipality to an applicant for a project or purpose as per Community Investment Program requirements.

**In-Kind Donation** – Refers to non-monetary donations or support provided to a project or initiative. These contributions are typically goods or services rather than cash. i.e., volunteers working at an event, office space, equipment and material.

**In-Progress Revenue** – Funds or income that an organization expects to receive but has not yet been fully secured or guaranteed. In-progress revenue carries more uncertainty compared to secured revenue; therefore, it is not included in the grant request calculation.

**Member-at-large** – A Member-at-Large is a full board member who does not hold a specific, defined position within the board of directors (such as President, Vice President, Secretary, Treasurer or Chair). Instead, they serve as a general member of the board, contributing to overall decision-making and governance without specific responsibilities. A Member-at-Large does not have these specific duties and instead has a broader, more flexible role within the organization.

**Municipality** – The Regional Municipality of Wood Buffalo.

**Operating Expenses** – The operating costs to run the organization for a full year, as reflected on the organization's financial statement.

**Recipient** – An applicant approved for a grant who has signed an agreement with the Municipality.

**Regional Boundary** – The physical area of the Municipality that includes any lands comprising of First Nation Reserve located within the Municipality's geographical boundaries.

**Repayment Letter** – A letter issued by the municipality requesting an organization to return all or part of the funds received through the CIP. A repayment letter will be issued after a repayment is determined when the final report is evaluated or if the organization fails to comply with the grant agreement.

**Review Engagement Financial Statements** - Financial statements reviewed by an independent Chartered Professional Accountant (CPA) in accordance with Section 8100 of the CPA Canada Handbook – Assurance. A review provides limited assurance and is less extensive than an audit. Statements must follow generally accepted accounting principles for non-profit organizations, be approved by the Board of Directors, and signed by the Chair and Treasurer. The finalized statements must be submitted with the CPA's review engagement report.

**Restricted Net Assets**– Accumulated net assets that the organization has set aside for a particular purpose or earmarked by a donor for a specific program or project, as reflected on the organization's financial statements. These assets are excluded from the calculation that determines eligibility.

**Secured Revenue** – Funds or income that an organization has already received or has been guaranteed through formal agreements, contracts or commitments. This type of revenue is considered reliable and can be confidently counted on when planning budgets or financial strategies. Because it is assured, secured revenue can reduce the need for additional funding or grants.

**Shortfall** – An organization's expenses exceed its revenues, resulting in a financial deficit. The grant request cannot be higher than the projected shortfall (secured revenue minus budgeted expenses).

**Societies Act** – A society may be incorporated under this Act to promote any benevolent, philanthropic, patriotic, religious, charitable, artistic, literary, educational, social, professional, recreational, sporting or any other useful object, but not for the purpose of carrying on any trade or business.

**Term** – The effective date and duration of the agreement.

**Unrestricted Net Assets** – Accumulated net assets that the organization has not set aside for a particular purpose or earmarked by a donor for specific program or project, as reflected on the organization's financial statements.
