Angi Sanregret appointed Bill Woodward School Principal

For immediate release – September 19, 2025

Northland School Division (NSD) is pleased to announce the appointment of Angi Sanregret as Bill Woodward School's new principal.

Angi is a Métis iskwew, a mother of seven, and a grandmother of three. She has been an educator for 25 years and has spent 12 of those years with Northland. Throughout Angi's career, she has worked primarily in Indigenous schools and has also pursued her passion for writing. She is a published author and is currently preparing two books scheduled to be released this spring.

"Angi understands the context and the overarching goals of Northland School Division," said Cal Johnson, Superintendent of Schools/CEO. "She previously served as principal at J.F. Dion School and has already proven herself as a strong leader in the division. We are very pleased to welcome her back to Northland."

"I am honoured to have the privilege to work with you and your community this year," said Sanregret. "I pride myself on a heart-led leadership approach that incorporates my beliefs and values as a Métis iskwew. I believe in open communication, open hearts, and open minds. I treat each individual as their own person, and I look forward to getting to know all of you in the coming months. Once again, thank you for having me in your community, and let's work together to keep your schools thriving and striving for success."

Angi holds a Master of Interdisciplinary Studies in Indigenous Education and Heart-Led Leadership from the University of Calgary.

For more information, please contact Media Relations Manager Curtis Walty at 780-624-2060 ext. 6183 or curtis.walty@nsd61.ca.

Northland celebrates Emily Griffin and Pearl Lorentzen at ASBA Zone 1 Fall Awards

Northland School Division (NSD) is proud to celebrate Anzac School teacher Emily Griffin and Lakeside Leader newspaper editor Pearl Lorentzen, who were recognized at the Alberta School Boards Association (ASBA) Zone 1 Fall Awards Ceremony.

NSD nominated Emily for the Edwin Parr Teacher Award, which honours first-year teachers who show exceptional dedication and commitment to education. At Anzac School, she creates a welcoming classroom where students feel safe, respected and ready to learn. Emily uses tools like the ViewSonic board, videos and visuals to keep students engaged and to support their understanding. Her classroom is calm and respectful, and she gives students the encouragement they need to succeed. Beyond the classroom, Emily participates in school and community events, building strong connections with students and families.

Pearl was Northland School Division's nominee for the Friends of Education Award, which recognizes individuals and organizations that make a special contribution to education in Alberta. Since joining the *Lakeside Leader*, she has dedicated herself to telling the stories of northern Alberta, including communities served by Northland such as Wabasca-Desmarais, Chipewyan Lake and Calling Lake. She has covered Board meetings, the grand opening of the new Mistassiniy School, the Lieutenant Governor of Alberta's visit to Mistassiniy, and the division's work in language, culture and its new Education Plan.

"On behalf of the Board of Trustees, I want to congratulate Emily and Pearl for being recognized at the ASBA Zone 1 Fall Awards," said Board Chair Tanya Fayant. "Their dedication and commitment make a difference for Northland students and for education in the communities we serve."

"Emily's efforts go a long way in helping Northland students thrive, while Pearl's storytelling shares Northland achievements with the wider community," said Superintendent of Schools/CEO Cal Johnson. "Together, they highlight the strength of education when schools and communities work hand in hand."

The ASBA Zone 1 Fall Awards took place in Grande Prairie on September 17, 2025.

The Northeast Alberta FASD Network enhances regional capacity to prevent FASD and support those impacted by it through coordinated planning, collaboration, education, and service delivery.
