## Updates to the Rural Water and Sewer Servicing (RWSS) connection program

Great news – at the May 19, 2026 Council Meeting in Anzac, Council approved an extension to the Rural Water and Sewer Servicing (RWSS) connection program period. The eligibility period has now been extended **from five to seven years**.

### What does that mean for residents in Janvier?

If you haven't connected to piped water and sewer services, you now have until **June 30, 2028** to take advantage of the significant savings offered through the RWSS program. As of Jan. 31, 2026, 29 homes in Janvier have already connected to municipal systems.

### What happens if I connect after the program period has ended?

After the deadline of June 30, 2028, you will be responsible for the **full connection cost**, which can be anywhere between \$40,000 to \$110,000 as opposed to the lower cost of \$16,000 with 0% interest available now.

The full cost of trucked water deliveries and sewer pickups will also be your responsibility if your home isn't connected by the deadline.

### How can I get started?

- Review the RWSS Homeowners Guide and important information at [rmwb.ca/rwss](http://rmwb.ca/rwss).
- Contact a certified contractor to discuss what the work connecting your home will entail. A contractor quote must be submitted for approval as part of your application. A list of certified contractors is available on the RMWB website.
- Your Municipal tax and utility accounts must be in good standing. Outstanding balances must be paid before your RWSS application can be approved.

### Need help?

Connecting your home to piped water and sewer may seem complicated, but we're here to help guide you through the process. Call 780-743-7000 to learn more, ask questions, and get help starting your application.

Find everything you need to know about the Rural Water and Sewer Servicing Program, including more details on how to apply, at [rmwb.ca/rwss](http://rmwb.ca/rwss).
